About HSWM

Our Mission is to promote the humane treatment and responsible care of animals in West Michigan through education, example, placement, and protection.

Humane Society of West Michigan, a 501(c)3 nonprofit organization, assists over 8,000 animals annually.

We are 100% donor-funded and we do not receive funding from the government, nor are we financially supported by national welfare organizations. Caring individuals and businesses in our community support our mission to shelter and care for hurt, abused, or abandoned animals and find them new forever homes.

Additional programs such as education and outreach help reduce pet overpopulation, provide assistance to low-income pet owners, behaviorally assess animals, and reunite lost pets with their owners. HSWM never euthanizes animals for time or space.
