

Humane Society of West Michigan's (HSWM) Forever Friends Legacy Society honors compassionate supporters who include HSWM in their estate plans.

By making a planned gift, members ensure that their love for animals continues for generations to come—providing food, shelter, medical care, and second chances to pets in need. Society members create a lasting impact, securing a brighter future for homeless animals and the people who love them.

## Legacy Society Annual Benefits

Participation in the Forever Friends Legacy Society reflects a lasting commitment to creating a humane and compassionate future for both animals and the community.

To recognize your impact, society members receive the following benefits on an annual basis.

-  **Recognition in annual report**
-  **Invitation to special Legacy Society events**
-  **Exclusive mailings for society members**
-  **Access to Pet Guardianship Program**

## Pet Guardianship Program

Through Humane Society of West Michigan's Forever Friends Legacy Society, supporters who name HSWM as a beneficiary in their estate plans have the option to designate HSWM as the guardian for their pet after they pass.

This program offers peace of mind, knowing that your beloved companion will be cared for by the shelter's compassionate staff and placed in a loving adoptive home.
